Outstanding Seniors

Outstanding Seniors has become a tradition in Plantation High School. This years seniors were selected at a senior class meeting.

The categories they were voted on were: Best Dressed, Most Popular, Best Looking, Most Likely to Succeed, Most Athletic, Best Personality, Most Spirited, Most Friendly, and Most Humorous. In each category they selected five girls and five boys to represent that category. This was done to give more of a selection of people. This years outstanding seniors pictures were taken at Inverrary, to fit in with the theme to our yearbook, 1981 Reflections.

Season's First Win, Against Boyd Anderson

Plantation High's boys' varsity basketball team started out their season with a record of 1-8. The team's first win was against Boyd Anderson, in a close, 72-70, game.

Even with their slow start, the team is looking forward to the remainder of the season. Mark Brown says "We aren't doing so bad overall, just in the fourth quarter breakdown."

When the season was previewed in the newspapers, Plantation was said to have a disadvantage in height. Plantation returned people who have experience, but not the height needed. They compensate for this with speed and experience.

Cheerleaders Show Enthusiasm

Plantation 1980 Basketball cheerleading squads include six varsity and eight junior varsity girls. These girls, who were chosen by their cheering skills and their cheering personality on the court, cheer for all the basketball games. The varsity and junior varsity cheer for both of the basketball teams, boys and girls. Since the JV basketball teams play in the small gym, the cheerleaders divide and go to both games.

The captain of the Varsity squad is Paulette Williams and co-captain is Lissa Burnes. For the Junior Varsity squad, the captain is Andrea McDowell and the co-captain is Melissa Gillette.

The squad will be competing in a contest at the 1981 Orange Blossum Festival on March 8. This event will be televised, and they plan to do very well, according to their advisor, Mrs. Perduto.

Wrestlettes Cheer Wrestlers on to Victory

Wrestlettes are more than just cheerleaders. Along with their cheering, they do a variety of the things, such as: keeping score, selling tickets, and keeping time. One of the Wrestlettes many duties is to post the names and weight class of the wrestlers who are wrestling. When the match is finished, the Wrestlettes provide them with a nutritious type of food and drink. Since Coach Bowles, who chose the girls, is not able to watch over them because he is coaching, the girls must be responsible and hardworking on their own.

When you are all alone and the memories call you back to the friends you met and °things you've° done, use the reflections of your mind.

At night, in that moment, just between the sense of awakeness and the onset of sleep, use the reflections of your mind.

Remember

About those special moments that last for a lifetime.
About those tears - those of joy and those of sorrow.
Promises made and never kept and promises that were hard to keep but worth the effort.
About the sense of achievement and the new experience.

Values that altered as a sense of identity developed.
Yesterdays that all the tomorrows are built upon.

What are these reflections that haunt these private moments?
What are these reflections that bring back these thoughts?

They are the foundations of life.
They are us.

For M.M. and V.V.

The Junior class is on it's way. They have 1 year left to earn all the money they will need for the Prom and Graduation.

This year they have participated in Homecoming Week by entering a skit and decorating a hall to the theme "On Broadway." They sponsored the Senior Father Daughter Dinner and during Spring Week they held the annual Casino Night. The Junior Class also sponsored the first annual Halloween Dance where prizes were awarded for the best dressed couple.

The Junior Prom was held at the Sunrise Inn on the beach, in the spring.

This year's J.V. cheerleaders included: Tish McDonald and Kim Ferrera, co-captains; Kim Wider, Barbara Giaratano, Robin Lowery, Lorraine Donahue, Tracy Caine, Christine Dahl, and Mandy Story, the team's Mascot.

The girls practiced for 2 hours on Tuesdays and Thursdays in the courtyard here at Plantation High. They learned approximately 100 cheers to liven the J.V. games. The girls made signs and banners for each of their games.

The J.V. cheerleaders participated in this year's homecoming game. To make money, they sold pins reading, "Stomp South", for projects. Ms. Story served as J.V. cheerleader sponsor and kept the girls involved.

The team consisted of three juniors, five sophomores, and one mascot. They were chosen during tryouts at the end of the 1979-80 school year.

Freshmen have many more responsibilities when they enter high school than they had as students at middle school. High school can be an exciting adventure for some students but for others it can be a very difficult change. In high school, they are faced with harder classes, more homework, and a totally different atmosphere. These things are all met by any person who is in their freshman year.

There is more of a competitive air in high school life. Students meet different people with various likes and dislikes. The four years a student spends in school are very significant in his/her life. They must learn to settle down and plan their future. Some students choose college, others plan on a vocation. While all these decisions are being thought over, one does not realize how fast the four years go by.

There Comes A Time

We, the young have come along way from the silent corners of yesterday, we have a need, a feeling, a desire to move up into an independent person, filled with goals, achievement and the strength to move ahead.

We the young are filled with many changes but our view of reality will always be the same. There comes a time when youth needs to know what it's like to be mature, independent, self-conscious and free.

Today is the day, yesterday was too late and tomorrow is not guaranteed. So let's look for our goal and then from there let us begin to achieve it and move on.

I'll miss ya all,

Love,

Janet

To the sweetest person I know Val Valentine just a little wish for nothing less than the best. That's what you deserve. Good luck in college and with "Sylvester." I know you'll be happy - and everyone around you. You wouldn't have it any other way.

Retirement living the way you always hoped it would be

All those years you were working, you had a vision of what retirement would be like. You looked forward to a care-free lifestyle that allowed you time and freedom to pursue the things that were important to you that you never found time for in your busy schedule. Covenant Village of Florida, at Jacaranda, is retirement living the way you always hoped it would be. With an initial founders gift and a monthly maintenance fee, you'll find the quality, security and freedom you had hoped for in your retirement years.
A full service endowment retirement community owned and operated by the Evangelical Covenant Church of America. With more than 94 years of successful service to retirees throughout the United States.

Covenant Village of Florida

Models open for inspection weekdays 9-4 p.m. — weekends 1-4 p.m.
9201 West Broward Boulevard / Plantation, FL 33324
(305) 472-2860

Fortunately, most of the folks who enjoy their retirement years at Covenant Village don't need extended nursing care. But the Evangelical Covenant Church has prepared for that care just in case!

Covenant Care Center is located a mile east of Covenant Village on Broward Boulevard — across from the Broward Mall. It has 100 skilled nursing beds, is certified for Medicare, offers all of the necessary therapeutic services, and excels in loving care. Accommodations not utilized for Village residents are offered to older adults in the community. Its philosophy and practice combine in providing comfort, dignity and security to all patients.

We're THE Class

WITH Class!!

There are no two ways to build a Rolls-Royce. And there are no two ways to service one.

A Rolls-Royce must be built to Rolls-Royce standards and maintained with genuine Rolls-Royce parts or it ceases to be a Rolls-Royce.

With this discipline in mind, Rolls-Royce Motors appoints, trains and equips its dealerships one by one.

We are among those appointed dealerships. And this mark of distinction can make all the difference in the world when it comes to taking care of the priceless asset that your Rolls-Royce is destined to be.

Reflections . . .

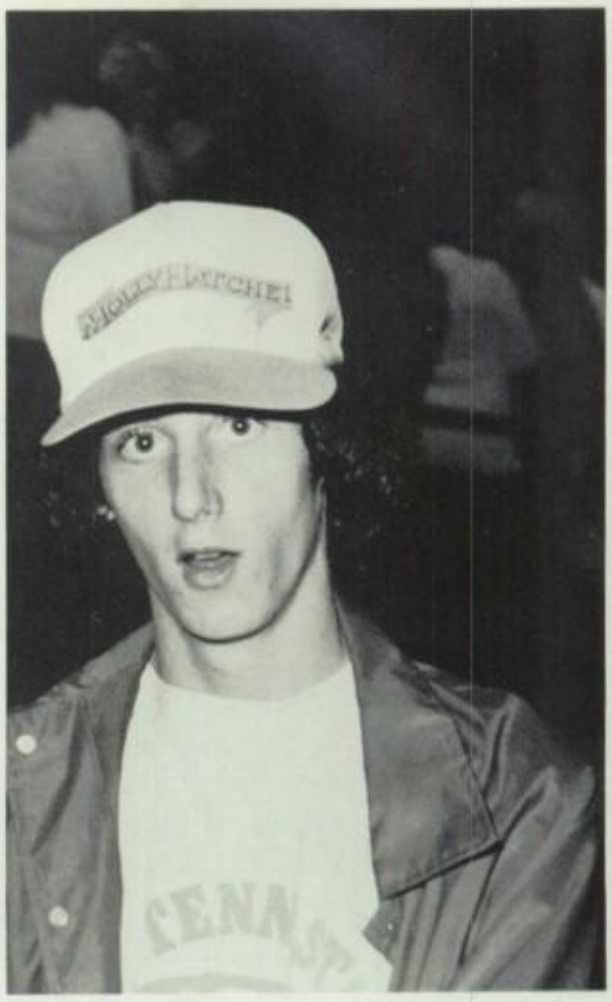
on the surface of a swift-flowing stream the reflections of things near or far are always indistinct; even if the water is clear and has no foam, reflections in the constant stream of ripples, the restless kaleidoscope of water, are still uncertain, vague, incomprehensible.

only when the water has flowed down river after river and reaches a broad, calm estuary or comes to rest in some backwater or a small, still lake - only then can we see in its mirrorlike smoothness every leaf of a tree on the bank, every wisp of a cloud, and the deep blue expanse of the sky.

it is the same with our lives. if so far we have been unable to see clearly or to reflect the eternal lineaments of truth, is it not because we too are still moving towards some end - because we are still alive?

-alexander solzhenitsyn

There is one force in nature that
is dominant;
That is the force of the individual.
A unique creation that is totally
unlike another.



Unlike the leaf that disintegrates
into forever
Without leaving a remembrance;
The individual makes a mark
on whomever he touches.

Remember you are unique.
Your contribution can't be duplicated.
The pathway of life lies ahead.
Walk strongly and determined towards
your living goal.
